

PSB PRODUCCIÓN VEGETAL MATURITY CHART

Data collected by PSB Producción Vegetal S.L. on its farms in Pliego (Murcia/Spain) for early varieties, in Algerri (Lleida/Spain) for mid-season varieties, and in Sauzet (Drôme/France) for late varieties. The data presented are indicative of the year 2025 and may vary depending on cultivation conditions, production location, and the grower's practices. All varieties are subject to an application before the CPVO. Any reproduction, multiplication, or dissemination is prohibited without the prior consent of PSB Producción Vegetal, holder of the rights.
